10. Delivered to Mr. Sam Crosby on the House Appropriations Committee staff the corrected transcript of the Director's briefing of the Defense Subcommittee. Mr. Crosby accepted this copy and gave us in exchange an uncorrected copy (the second of two copies made). He indicated that he did not wish to keep more than one copy in the Committee's safes.

11. Delivered to Mr. Darrell St. Claire, Senate Foreign Relations Committee staff, our letter to Senator Fulbright providing information in response to questions raised during the Director's briefing of the Committee.

12. Returned to Al Westphal the transcript of the Agency's two appearances before the House Foreign Affairs Committee. In response to our inquiry, Mr. Westphal indicated that Mrs. Bolton was formerly the chairman of a Foreign Affairs Subcommittee studying national and international movements. This group prepared a series of studies entitled, "The Strategy and Tactics of World Communism." One of these studies, "Communism in the Near East," contains a section on China. This study was the third supplement of the series and was completed in 1948.
